SUSAN A. GENDRON  
COMMISSIONER

June 28, 2007

This letter is to certify that the Cape Elizabeth School District has an approved technology plan valid through June 30, 2010.

In accepting this plan, the Maine Department of Education certifies that the school administrative unit has met requirements for technology planning. The Maine technology planning guidelines include:

- The technology planning requirements for the *No Child Left Behind Act*.
- The five elements for the E-rate program to qualify as an approved technology plan for a discount and to meet the requirements of the FCC's Fifth Report and Order (FCC 04-190, released August 13, 2004).
- The "use of technology for student learning and efficient school administrative unit operations" for the Comprehensive Education Plan as described in Chapter 125 Basic Approval Standards: Public Schools and School Administrative Units.

Sincerely,

A handwritten signature in blue ink that reads "Sylvia K. Norton".
